APPLICATION TO USE FIRE HYDRANT

Company Name: _____ Phone #: _____
Address: _____ City/State/Zip: _____
Contact Name: _____ Phone # _____
Date to be installed: _____ Estimated Time Needed: _____
Location of Hydrant: _____

CHARGES WILL BE AS FOLLOWS:

Table with 6 columns: Meter Size, Security Deposit**, Hook-up Fee, Admin Fee*, Availability Fee Per Day, Water Rate Per 1,000 gals. Values: 3/4" - 3", \$1000, \$50, \$25, \$15, \$4.00

*Non-refundable Fee

**Security Deposits are refundable minus usage and rental fees if there is no damage to the hydrant meter or damage to the hydrant. Damages will be assessed according to severity. The customer is responsible should the hydrant meter be stolen. The customer is responsible for all charges not covered by security deposits.

If the rental is longer than one month, the meter may be read and billed monthly for the rental amount of usage.

The hydrant meter will be installed and disconnected by H2GO personnel only. Customer may not remove hydrant meter from the above location and connect at another location. Customers will give 48 hours (2 working days) notice of disconnection.

H2GO hydrants have a standard 3" thread (hose nozzle). Applicants will have to supply their own fire hose.

Use only a certified hydrant wrench when opening the hydrant.
